

13th October, 2004

To the Commissioners,

The psuedo-documentary "Stolen Honor" is scheduled for screening by the Sinclair group of companies throughout the United States. Apparently, the program contains many unsubstantiated claims as well as claims that have been shown to be pure fabrication. A report on the NPR program "All Things Considered" broadcast Tuesday (12th Oct) afternoon aired some of the content of "Stolen Honor" which clearly suggests that this is a "party political broadcast" and not a "news broadcast".

Sinclair stations use public airwaves free of charge, and are required by law to serve the public interest. One-sided programs like "Stolen Honor" do not, and are harmful to our democracy. Please do not allow Sinclair stations to air "Stolen Honor," or if you do, please be sure that they are obliged to air a pro-Kerry program like "Going Upriver" or a program reporting George W. Bush's service in the Air National Guard and his subsequent business endeavours, shortly after.

Yours sincerely,
